

# The Firebird (L'Oiseau de feu / Der Feuervogel)

Ballet in two scenes

based on a Russian folk tale by M. Fokine

arranged for reduced orchestra by Jonathan McPhee (2000)

THE FIREBIRD This new edition of Firebird blends Stravinsky's 1910 complete Firebird ballet with the reduced orchestration of his 1919 Firebird Suite. Stravinsky's strategy in the 1919 Suite has been applied to the entire 1910 version of the score making the complete 1910 Firebird Ballet score available to standard sized orchestras and ballet companies. The full score pages in this edition are laid out to match the page layouts of the applicable Schott edition full scores of the 1919 concert suite and the 1910 complete ballet.
